

Letura del Verano 2023

¡Ser una Familia de Lectura y Comprometerse a la Lectura en el Verano!

La investigación dice: "La pérdida de la lectura de verano se refiere a la disminución en el desarrollo de la lectura de un niño que puede ocurrir durante las vacaciones de verano cuando están lejos del aula y no participan en programas formales de alfabetización" (Allington & McGill-Franzen, 2003). La investigación es consistente: cuando los niños no leen durante el verano, el impacto de la pérdida de lectura de verano es significativo para todos. Los estudiantes que no leen durante el verano pierden aproximadamente tres meses de progreso. Estos meses se acumulan con el tiempo y los estudiantes se pueden quedar atrás de sus compañeros.

Nuestro objetivo es mantener a los estudiantes leyendo todo el año para mantener su nivel de lectura actual. Queremos detener la diapositiva de aprendizaje de verano.

Please note that due to supply shortages, substitutions to the menu may occur.

Four Seasons now offers an additional, convenient way to pay for school items electronically. It's called On-line School Payments (OSP) and will allow families to pay by credit card for things such as field trips, lost media books, and Chromebook repairs. We also have options to allow you to donate to support special activities for students or to donate to allow the principal to "treat" our staff. Please note that there is a small service charge for using the OSP system. Cash and checks made payable to Four Seasons Elementary are always accepted for student fees with no service fee. If you have any questions regarding the OSP system, please contact Erika Allen at ecallen@aacps.org or 410-222-6501. To access OSP, please click on this link: [Four Seasons OSP](#)

Notice: Four Seasons Elementary School is equipped with a video camera system. It covers selected interior and exterior public portions of the building and grounds. It is NOT monitored constantly, but it is monitored during emergency situations. During certain events, when the safety or security of students may be in question, authorized personnel from local, state or federal police or fire emergency units may be given access to view images projected on the camera system. If you have any questions about the system, you should call the Supervisor of School Security at 410-222-5083.

The Anne Arundel County Public School System does not discriminate on the basis of race, sex age, national origin, religion, disability, or socioeconomic status in matters affecting employment or in providing access to programs. Questions regarding non-discrimination should be directed to the Office of Investigations, Anne Arundel County Public Schools, 2644 Riva Road, Annapolis, Maryland 21401; telephone: 410-222-5286; TDD 410-222-5500.

BOX TOPS MAKES IT EASY.

All you need is your phone! Download the Box Tops app, shop as you normally would, then use the app to scan your store receipt within 14 days of purchase. The app will identify Box Tops products on your receipt and automatically credit your school's earnings online.

There are very few clip boxtops on boxes, but if you find a boxtop with a red dotted line around it, clip it and bring it in to Four Seasons. Go to boxtops4education.com for more information.

Thank you to everyone who participates in this program.
