Principal's Message

Welcome to the new school year! Our theme this year is "Inside Out!" We know this year is going to bring new experiences and lots of magical moments. Thank you to the wonderful PTA for our welcome back breakfast.

Cal Ripken Sr. Foundation donated a STEM lab to our school! Thank you, Mr. Carrier, for nominating our school for this opportunity. This is going to be great for project-based learning experiences for our students.

We look forward to **Back-to-School Night** on September 10, 2024. The PTA meeting will start at 6:00 in the cafeteria. Session 1 for classroom visits will begin at 6:30 and session 2 will begin at 7:00.

AACPS has committed to healthy habits. For your student's birthday, do not send in food items. Please celebrate with non-food items (book mark, pencil, etc.). Meal Benefit Applications are still required by the State. Parents/guardians can complete the State required Meal Benefit Applications by clicking here to apply online!

We are continuing with our learning platform called BrightSpace. Rooms is a new communication platform. More information to come from AACPS. Additionally, we are continuing with our school-wide behavior program called Positive Behavior Intervention Support (PBIS). Students will earn "shark bucks" for displaying positive behaviors. Special thanks to our PTA for buying items for the school store, Shark Shop!

- Instruction begins at 8:05. Students need to be in the classroom for attendance.

- Bell rings at 2:25 PM.
- Bus riders exit through the front media center door.
- SACC students go to the cafeteria.
- Grade 1-5 walkers exit through the rear gym door. K walkers exit through K door.
- Van riders exit through the lobby.
- Grade 1-5 car riders wait along the brick wall of the car lane. K car riders wait in music hall until car arrives.
- While waiting for dismissal to begin, please do not block the entrance to the staff parking near the cafeteria/ kitchen doors.

GENERAL ARRIVAL/DISMISSAL PROCEDURES FOR THE YEAR

CAR RIDER ARRIVAL/DISMISSAL PROCEDURES:

- Student safety is always our first priority! Drive slowly and do not use your cell phones. Please be patient and respect the staff on duty. We complete dismissal in approximately 10 minutes once everyone learns the routines.
- Be sure to have your child's name and grade on a card clearly visible on the front windshield.
- Pull up as indicated by staff on duty.
- Follow the "Kiss and Go" plan - **Do NOT get out of your car.** Do NOT park in a no-parking zone.
- At 7:45 AM, staff will assist children to their appropriate door to enter. There is no supervision or admittance prior to 7:45 AM.
- **Doors will be closed at 8:00 AM**. Any arrivals after 8:00 will need to check in at the office.
- Our loop is one lane! Do NOT pull alongside another vehicle to exit unless directed by a staff member.

WALKERS:

- Students arriving between 7:45-8:00 AM will be directed to the side entrance (car rider door).
- Remember - there is no supervision or admittance to the building prior to 7:45 AM.
- Your student is expected to walk home. If you are meeting your student on property, you must have a plan/meeting location. Walkers are independent and are not handed off individually to a parent/guardian. Students should not go to the playground without parent supervision.

REMINDERS

- Please do not drop off or park in the bus lane. We have buses that arrive at different times throughout the day.
- Please drive slowly and watch for children in the school zone.
- Pre-K, ECSE , and Kindergarten parent(s) need to park in a parking spot if getting out of the car to drop off/pick up students.
- Instruction begins at 8:05 and all students are expected to be in their seats at that time.
- Students not in their seats by 8:05 AM when instruction begins are marked tardy.
- Keep your dismissal consistent Monday through Friday. For example, if your student is a bus rider, but you are able to pick him/her up one day - consider picking them up at the bus stop versus changing their dismissal procedure. **CONSISTENCY IS KEY FOR DISMISSAL!**
- **Please do not call the school after 1:00 to change dismissal plans! We cannot guarantee that we are able to make a change that close to dismissal. And please do not email the teacher for a change in dismissal as they cannot always check their email before dismissal.**

AACPS Cell Phone Policy

As part of a move to maximize the focus on instruction, remove distractions, and improve mental health, students across Anne Arundel County Public Schools will be able to use their cell phones less during the school day in the coming year, Superintendent of Schools Dr. Mark Bedell said.

Students, employees, and community partners across the school system have had input on the changes, which are aimed at creating and enhancing learning spaces for all students. The guidelines differentiate acceptable use by student levels, as follows:

- **Elementary and middle school students must have their phones off or on silent mode and out of sight throughout the school day, including at lunch and in hallways during transitions between classes.**

- High school students may use their phones during lunch but must have them off or on silent mode and out of sight at all other times, including in hallways during transitions between classes.

"I want to be clear that this is not a ban on cell phones like other districts across the country have done," Dr. Bedell said. "These are changes in guidelines as part of an effort to refocus precious time on instruction, which is something everyone we spoke with agreed is critically important. I have complete faith that our students, provided with the right structure, will do the right thing. However, as the Superintendent, I will not hesitate to have further conversations with the school board and the community about a total ban should that become necessary."

Students who use cell phones outside of the guidelines will receive progressive discipline, beginning with a warning and moving – if necessary – to the confiscation of their phone and potential other disciplinary measures. Confiscated phones will need to be picked up by a parent or guardian.

The new guidelines will be reinforced for students by teachers at the outset of the school year.

Notes from the Nurse...

Welcome back! We hope everyone had a wonderful summer.

Please remember: if your child needs medication during school hours, we will need the proper medication forms filled out by both the parent and the doctor. These forms are available online and in the health room. NO medications can be given by the health room without these forms. If you have any questions, please call or email us.

Just a reminder to all parents and caregivers - if your child has a fever, he or she needs to stay home until they are fever free for 24 hours without medication, then they may return to school. If they are sent home due to a fever, they must stay home the following day. If they receive no medication and the fever is gone, they can return after a full day at home. If you have any questions, please call the health room staff.

Sick students in the health room should be picked up within 30 minutes. If you cannot pick up your student within that time frame, please have a backup plan. Your backup plan can be a grandparent, aunt, uncle, neighbor, or anyone else you deem responsible to take care of your child. Unfortunately, there are times we are very busy and need the bed that a sick child is sleeping on while waiting to be picked up. Thank you for your understanding in this matter.

If your child gets any other vaccines, please send their vaccination record in so that their health records are up-to-date.

If your child tests positive for Covid, flu, strep throat, etc., please inform the health room.

Please make sure your student has a change of clothes in their locker for the proper season. Even older students need a change of clothing in case they spill a drink or get mud on their clothes.

Thank you!

Green Notes for Transportation Changes

Each family will receive a packet of GREEN NOTES to notify school staff about changes in how a student is getting home. We need your cooperation in establishing a consistent Monday through Friday transportation routine. If your child is going home a different way than what is stated on their emergency card, a green note is the safest way to let the school know. It is important that students know their dismissal procedure each day, and that changes are made using a green note. If you have to call the office about a dismissal change, please call before 1:00 p.m.

In addition, because dismissal is an important and busy time, we ask that you avoid picking up your child(ren) for early dismissal between 2:00-2:25 pm.

The safety of our students is our first priority. Thank you for helping us keep our students safe.

If you have any questions, please call the office at 410-222-6501.

Dear Parents and Guardians:

Welcome back to school! We hope everyone had a relaxing summer break and has settled back into the school year routine.

As we embark on this new year, we hope you will keep in mind that academics are just part of your child's overall health and well-being. In addition to encouraging students to stay active and maintain good physical health, we also want them to maintain positive emotional health and well-being. And you, too! Building on our resilience skills, learning how to better cope with change and adversity in a positive way is a lifelong practice we aspire to model for youth and each other.

When it comes to emotional wellness, please know that you and your child can always reach out to a school counselor, school psychologist or school social worker to ask questions, obtain resources or discuss concerns. To ensure you are aware of local and national resources outside of the school, we have included some of those on the back of this letter.

We wish you and your children a healthy and happy 2024-2025 school year!

Sincerely,

Sandra O'Neill, LCPC

OSP
Online School Payments

Four Seasons offers a convenient way to pay for school items electronically. It's called Online School Payments (OSP) and will allow families to pay by credit card for things such as field trips and lost media books. We also have options to allow you to donate to support special activities for students or to donate to allow the principal to "treat" our staff. Please note that there is a small service charge for using the OSP system. Cash and checks made payable to Four Seasons Elementary School are always accepted for student fees with no service fee. If you have any questions regarding the OSP system, please contact Erika Allen at eallen@aacps.org or 410-222-6501. To access OSP, please click on this link: Four Seasons OSP.

BOX TOPS MAKES IT EASY.

All you need is your phone! Download the Box Tops app, shop as you normally would, then use the app to scan your store receipt within 14 days of purchase. The app will identify Box Tops products on your receipt and automatically credit your school's earnings online.

There are very few clip boxtops on boxes, but if you find a boxtop with a red dotted line around it, clip it and bring it in to Four Seasons. Go to boxtops4education.com for more information.

Thank you to everyone who participates in this program.
